

# Unsatisfied with the care you have received?

## Comments and complaints make for better care.

The Patient Advisory Committee Skåne receives complaints about:

- Public healthcare run by Region Skåne
- Healthcare provided by private healthcare providers who have an agreement with Region Skåne
- Municipal healthcare (including private healthcare providers) such as home healthcare, personal assistance, rehabilitation and assistive aids.

You can turn to the Patient Advisory Committee Skåne for help in:

- Getting support to make your complaint to the healthcare services
- Obtaining information about your rights
- Getting advice on which other authorities you can contact or report to.

We do not make medical judgments, nor do we decide whether the healthcare service has done the right or wrong thing.

Contact us by logging on to [1177.se](http://1177.se) or by calling us on weekdays between 09:00-12:00 on 0770-11 00 10.

You can also send letters to:
